BALANCED EARTH

Earlier articles, *manifesto 'No We Won't - We will no longer harm the Earth'*, and letters published by *Earth Like Me*, called people on power, President of the European Commission Ursula Von der Leyen, Chancellor Angela Merkel, Vice President Kamalla Haris, President *Barack* Obama, UN Secretary general António Guterres.

Aim of these was a call on the General Assembly of the United Nations, to organize **Emergency special session "Uniting for new world climate order ©Balanced Coexistism - Historical shift 2022"**, on the **joint cooperation of the individual national governments of 206 sovereign countries**, to examine with the best local independent experts the proposal of *Earth like me* and to recommend national specifics for invention, *New world climate order ©BalancedCoexistism with its base ©Personal Biodiversity Unit*.

It is simple to create an Earth Armistice, to **end the war with nature**. It is the **greatest climate mobilization of all nations of all times**.

What it is about?

How it can be done, please read here <https://www.earthlikeme.org/new-world-order-balanced-coexistence>

## ©PERSONAL BIODIVERSITY UNIT - PBU

New lifestyle in post covid-19 socioeconomic freedom

1. ©PBU is a whole new world of living and working standards for third millennium.
2. When a citizen is born, each country/state in the world provides her/ him with ©Personal Biodiverse Unit - PBU, 150m<sup>2</sup> of living space - 50m<sup>2</sup> of indoor 100m<sup>2</sup> of outdoor space.
3. ©Personal Biodiverse Unit - PBU must contain at least 7 species of indigenous flora and at least 7 species of indigenous fauna.
4. Each individual is legally responsible for their own small universe of biodiversity.
5. PBU is not (at no circumstances) build as new, so it will not occupy no new natural site, land, place, location from 2022.
6. All PBUs on planet are existing rearranged buildings/structures of all types.
7. World fund of all buildings types must be gradually restructured, renovated, redirected according to PBU needs.
8. We do not built new, we renovate/innovate - WE RENOVINNO!

Read the short Personal Biodiversity Unit theory here <https://www.earthlikeme.org/personal-biodiversity-unit>

PBU was **invented through the real 7 years long life experiment** in Ethiopian highlands by Dominika Batista PhD and Damijan Jermančič MDes as World First PBU <https://www.earthlikeme.org/world-first-pbu>

THE EQUATION

The equation

$$\left( 8^{\text{th}} \text{ work} - \text{profit} = 4^{\text{th}} \text{ work} + \text{nature} \right) = \text{BC}$$

Balanced Coexistism

$$\text{BC} = (\text{E} + \text{H}) - (\text{CC} + \text{BL})$$

## FUTURE TIMELINE for ©BALANCED COEXISTISM and ©PERSONAL BIODIVERSITY UNIT

We do not think that, in the historical time frame, new world climate order Balanced Coexistism with Personal Biodiversity Units - PBUs is the final and eternal lasting system.

In the future, when the planet with its biosphere and climate is balanced, the next new world order will be welcome.

In addition, *manifesto 'No we Won't - We will no longer harm the Earth'*, articles and letters published by *Earth Like Me*, called to engage influential personalities Amal Clooney, Leonardo di Caprio, Aileen Getty, Kathleen Kennedy.

We are convinced that in coming decades, a new socio-economic system ©BALANCED COEXISTISM with its base ©PERSONAL BIODIVERSITY UNIT, **designed to replace communism and capitalism**, is the only possible **quality solution for the Climate Crisis and Biodiversity Loss**, the planet and the Earth's overpopulation of 7.7 billion people.
